

MADE UP THE LISTS

Kent County Democrats Chosen to go to Muskegon

TO ENDORSE GREAT GROVER

The Business Is Transacted With Despatch and Without the Usual Flare of Loud Mouthed Speeches.

The Kent county democracy held its county convention yesterday in the circuit court room for the election of delegates to attend the state convention to be held at Muskegon. The convention was called to order at noon by L. E. Carroll, chairman of the county committee, who stated the object. He called M. M. Houseman to preside, who made a few remarks. John C. Boone was made temporary secretary, and the following committees were named:

Order of Business—N. A. Fletcher, H. F. McCormick, Elbert Cordes, J. W. Walker, E. L. Kellogg.

Credentials—B. F. Siler, E. O'Donnell, D. Emmett Welch, A. Godwin and E. S. Tupper.

A motion to appoint a committee on resolutions was opposed by N. A. Fletcher on the ground that the time for holding the state and national convention was so near at hand that any expression from the democrats of Kent county would be superfluous. No committee was appointed, and the convention adjourned without placing itself on record concerning its position and belief. The eleventh ward sent in two sets of delegates. The city committee called a caucus to be held on South Division street, and the chairman of the ward committee called one to be held on Madison avenue, and each caucus elected delegates. The delegates from the Madison avenue caucus were admitted without any serious opposition. The convention then adjourned until 1 p. m.

Delegates Quietly Elected.

The afternoon session was not called to order until 1:30, owing to the delay in the preparation of the report of the committee on credentials. When it was called to order, that committee was first to submit its report, which was accepted and adopted, showing a comparatively full representation from the several wards and townships. The committee on permanent organization and order of business recommended that the temporary organization be made permanent; that the order of business be the election of forty-seven delegates to the Muskegon convention selected from the representative districts as follows: Ten from each the second and third, and twenty-seven from the first or city district. The reports were accepted and adopted. The convention then adjourned for ten minutes and the body divided itself into representative districts for the purpose of choosing delegates. When the convention again convened the list of delegates was reported and ratified as follows:
